

ORANGE COUNTY CHAPTER AMERICAN PAYROLL ASSOCIATION

Great Reasons to Join!

- **Regularly Scheduled Meetings** - Chapter meetings are an ideal place to network and they provide educational opportunities for chapter members to learn more about critical payroll and compliance issues while earning Recertification Credit Hours (RCHs).
- **Chapter Newsletters** - Our OCCAPA - Payroll Insider newsletter keeps our members connected with chapter and APA events, as well as providing updates from various chapter officers and committees.
- **Chapter Web Sites** - Our web site - www.occapa.com, posts important chapter information and links to local government agencies, including a link to the APA National Web site.
- **CPP Study Group** - We offer preparation for the CPP exams through our Study Group. Please see our web site for meeting times and location.
- **National Payroll Week (NPW)** - Activities include community outreach, educational outreach, government outreach, and our annual celebration during the August meeting.
- **Leadership Opportunities** - By becoming a leader with OCCAPA, you can attain the experience and skills it takes to succeed in the business world. You may also have opportunities to chair committees, present topics, or serve as an instructor for payroll education. You may also spearhead or plan events, including Statewide or Regional Meetings, Year-End educational forums, and/or special chapter parties.
- **Recognition** - As an involved chapter member, you will be recognized for your participation and achievements.
- **Statewide or Regional Conference** - As a chapter member, you have many opportunities to attend or assist in planning state or regional functions. *Payroll Focus Day* is another way the OCCAPA promotes payroll education and networking.
